This site is intended for the use of the United States Air Force only. Do not reproduce or distribute the content of this site to a wider audience without coordination with the information owner and your unit public affairs office.

This is a Department of Defense computer system. This computer system, including all related equipment, networks, and network devices (specifically including Internet access) are provided only for authorized U.S. Government use. DoD computer systems may be monitored for all lawful purposes, including to ensure that their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability, and operational security. Monitoring includes active attacks by authorized DoD entities to test or verify the security of this system. During monitoring, information may be examined, recorded, copied, and used for authorized purposes. All information, including personal information, placed or sent over this system may be monitored. Use of this DoD computer system, authorized or unauthorized, constitutes consent to monitoring of this system. Unauthorized use may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal, or other adverse action. Use of this system constitutes consent to monitoring for these purposes.

Privacy Act Statement: Authority: 10 U.S.C. 8013, Secretary of the Air Force; Executive Order 9397 (SSN).

Principal Purpose(s): Provides information to unit commanders/supervisors for required actions related to personnel administration and counseling, training, medical examination, assignment, duty rosters, and deployment management.

Routine Use: In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, these records or information contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3).

Disclosure: Disclosure of information is voluntary. However, non-disclosure may affect elements of your individual readiness for deployment and will place a greater burden on your supervisor, unit deployment manager, and/or commander as they ensure overall military readiness of the unit.

AF Form 4005 Profile

According to the AFI 10-403, Paragraph 1.6.3.2: The individual and the UDM/Supervisor complete the AF Form 4005. The individual will date and initial next to each completed item. Pursuant to the AFI, please review the proficiency items below. 1. In the left column you will see each of the proficiencies referenced on the AF Form 4005. Each of the items has a pair of glasses next to it. Click on the glasses to more clearly see what the definition of the item is. You can cancel or close the definition form and get back to the item list. 2. The next column indicates the code that has been entered for you (if at all). The column heading explains how to read your current level for that item. 3. The next columns show when you last achieved the item and when (if applicable) that item will expire. 4. In the far right column see a picture of a pencil. Click on the pencil to correct or update the information on the related item. Click Review & Submit to finalize your changes, or click Cancel to cancel this action. 5. Click Profile History to see a history over time of your record.
